

*Take the Helm*  
**8th  
Women's  
Sailing  
Conference**

**Saturday  
June 6, 2009**

Hosted by  
Corinthian Yacht Club  
in Marblehead, MA

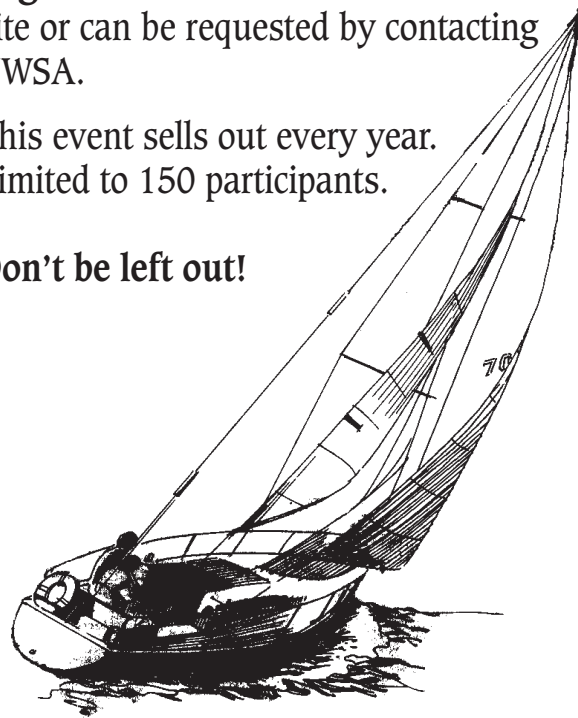

Primary sponsor  **BoatU.S.**

This NWSA day-long Saturday conference for women is designed to introduce them to and/or enhance their skills in recreational sailing through seminars on water and on land. Participate in workshops, such as hands-on charting, knots, and diesel engine troubleshooting. Choose the seminar that deals with suddenly being alone on the boat. Get on the water with an introduction to sailing or racing, learn boat systems, how to reef, flake and fold sails. The day also includes a continental breakfast, lunch, dinner, raffles, and special guest speaker.

Registration forms will be on the website or can be requested by contacting NWSA.

This event sells out every year. Limited to 150 participants.

Don't be left out!
